

# Global Advanced Ceramics Business Show

# ACE 2023

The 13<sup>th</sup> International Advanced Ceramics Exhibition

2023. 7. 5(Wed.) ~ 7(Fri.), KINTEX Exhibition Center I

Hosted by  
Organized by  
Supported by

Ministry of Trade, Industry & Energy  
Korea Fine Ceramics Association, Nano Technology Research Association  
Gangneung Science & Industry Promotion Agency, Gangwon TechnoPark New Material Business Unit, Daegu TechnoPark Nano Convergence  
Parctical Application Center, Ceramic Korea, Jeonnam TechnoPark Advanced Center, Korea Institute of Ceramic Engineering and Technology,  
The Korean Ceramic Society, Shanghai Silicate Industry Association, CCPIT Building Materials

# Features of ACE 2023

## Global Business Exhibition for Advanced Ceramics Industry

### Best Convergence Technology Exhibition

ACE 2023 is a new technology convergence exhibition covering a total of 9 new technology fields ranging from adhesive coating film tech to nano tech, sensors, laser tech and surface treatment tech, and synergy effect is significant.

### Meet Global Buyers at Exhibition

ACE 2023 invites key buyers from major foreign countries such as the United States, Japan, Germany, and China to support participants' global business. In particular, we will invite Chinese raw material companies to provide business opportunities for domestic material, parts companies.

### Showing Latest Trend in Future Industry

ACE 2023 organizes and operates special pavilions and programs that reflect high-tech technology issues and trends required by the demand industry. In 2023, we will look at trends focusing on future industries such as aerospace and bio, etc.

<b>Overview</b>	<b>Event Name</b> ACE 2023   The 13 <sup>th</sup> International Advanced Ceramics Exhibition
	<b>Date/Venue</b> JULY.5~7, 2023 / KINTEX Exhibition Hall in KOREA
	<b>Scale</b> 20 Countries 400 Exhibitors / 50 Countries 12,000 Visitors

Purpose: New technology business

# What is different?

## Global Buyers & Exhibitors Coming Back

### Global Buyers

Invite major buyers from Japan, the United States, Germany, and Korea to provide multinational business opportunities

### Business Meeting

Provide opportunities to discover global buyers through various programs

### Networking Reception

Global network reception with exhibitors and buyers

## All-Round Promotions for Exhibitors

### Online Promotion

Online promotion for potential customers through various open channels such as YouTube

### Global exhibition Portal Promotion

Promoting through global exhibition portals such as Showala (Korea), AUMA (Germany), and IAEE (USA)

### Leading Media Promotion

Promoting in all directions through leading media in Korea (Etnews, Digital Times, etc)

# Exhibitor & Visitor

## Who will exhibit ?

In ACE 2023, domestic and foreign leading companies and research institutes with high-performance materials, devices, components and systems for each industrial field, from raw materials related to fusion complex processing technology and manufacturing equipment, are participating in large numbers. Take part in ACE 2023 to enhance your brand and meet new business partners.

## Who will visit ?

Industrial customers visiting ACE 2023 are looking for business cooperation partners who can provide technologies, products, systems and solutions that can secure the company's competitiveness in times of change. Promote your company as a competitive partner and solution provider by participating in offline exhibitions and digital solutions at the ACE 2023.

### Material Components Equipment

### Large and medium-sized companies

### Institution Research University

### Material Chemical Energy

### Main Industry (Construction, Machinery, etc)

### High-tech industry (Electricity, Electronics, Bio)

## Participation Guideline

### Application Information

- Early Bird (A) : until December 21, 2022 (12% Discount)
- Early Bird (B) : until February 28, 2023 (10% Discount)
- General : until April 30, 2023

### Participation Fees

Unit : USD

Division		Early Bird A (~22.12.21)		Early Bird B (~23.2.28)		General (~23.4.30)	
Booth type		Shell Scheme	Raw Space	Shell Scheme	Raw Space	Shell Scheme	Raw Space
Company	General	2,376	1,936	2,430	1,980	2,700	2,200
	Member	2,112	1,760	2,160	1,800	2,400	2,000
University, Laboratory and others		2,112	1,760	2,160	1,800	2,400	2,000
Note		12% off		10% off		-
